SUBJECT: General - Administrative
Specific - Proposed September 1956 Conference

REFERENCE: [REDACTED]

1. It is regretted that it is still not possible to specifically establish dates and plan an agenda for a conference of station chiefs as proposed in paragraph 5 of reference. Responses, both verbal and written, have indicated a general desire for the holding of such a conference.

2. As soon as circumstances permit I will inform you definitely as to whether or not the conference can be held, with confirmation of dates and place. It is not possible to predict at this time how soon this can be done.
